

Standards in Public Safety and Security

Dr Cam Boulet
Director CRTI

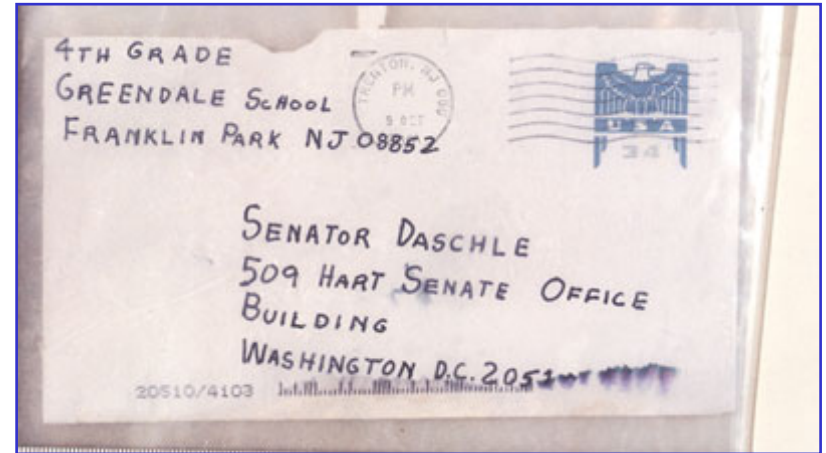

Public Safety and Security S&T: Principal Programs in Canada

- CRTI - CBRN Research and Technology Initiative
 - CBRNE Terrorism
- PSTP - Public Security Technical Program
 - All-hazard, catastrophic events

Terrorism

Nature

CRTI-IRTC

S&T Products

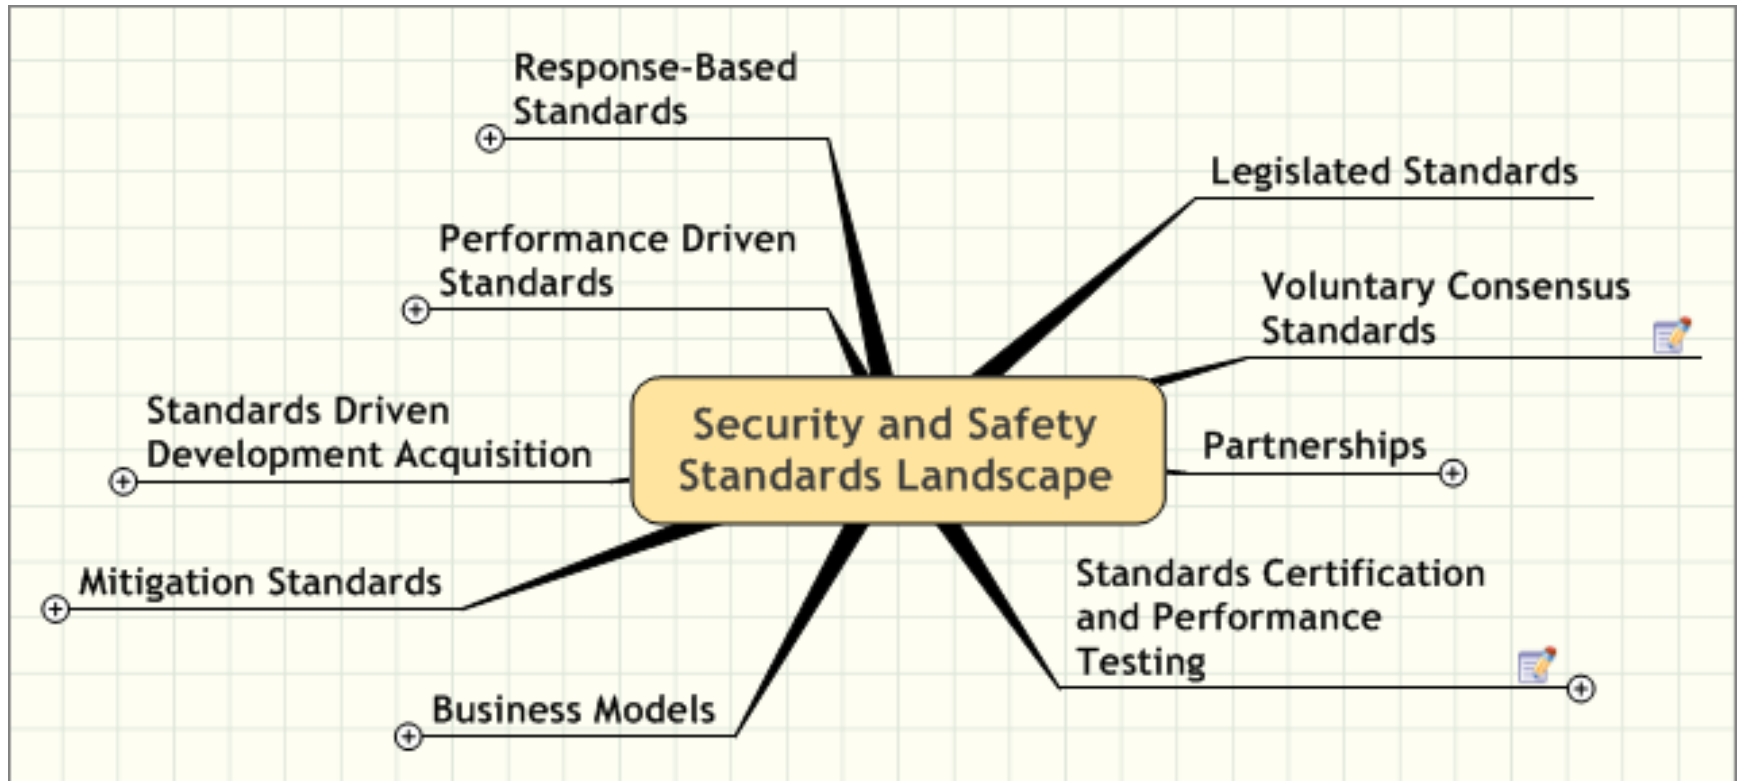

Prime Consideration for Catastrophic Events

- No single jurisdiction (government department, government agency, or government, regardless of layer) has managed a catastrophic event by itself

Public Security and Safety Standards Landscape

Why performance based standards!
